

The Complete WTGS Library on DVD is now available.

Have you ever thought that you would like to have a complete library of the West Texas Geological Society publications and not have to rent more office space or buy more bookshelves to accommodate the collection? Well...that is now possible. The set of four DVDs contains the entire WTGS collection including all of the cross sections and the Oil & Gas Fields volumes 1-8 plus publication 5716 from the Bureau of Economic Geology from 1936 - 2005. If you have never seen any of the 1930's, 40's, or even 50's field trip guidebooks you are in for a real historical treat. The DVDs can be bought separately or as a set. The cost of the set is \$300.00 plus 8.25% tax and \$5.00 shipping and handling.
