

Waiver of Liability

The undersigned hereby releases and forever discharges the West Texas Geological Society, its administrators, agents, assigns, and all other persons, firms, corporations and educational institutions, who might be claimed to be liable, none of whom admit any liability from any and all claims, demands, actions, causes of action or suits of any kind or nature whatsoever and particularly on account of all injuries known and unknown, both to person and property, which have resulted or may in the future develop from any accident which might occur as a result of the field trip sponsored by West Texas Geological Society on September 21 – September 24, 2023. The undersigned hereby declares that the terms of this settlement have been completely read and are fully understood and voluntarily accepted for the purpose of making a full and final compromise adjustment and settlement of any and all claims, stipulated or otherwise, on account of the injuries and damages above mentioned, and for the express purposes of precluding forever any further or additional claims arising out of any possible accident by the undersigned.

It is further agreed that the release expresses a full and complete settlement of any liability, regardless of the adequacy of the aforesaid and that the acceptance of this release shall not operate as an admission of the liability on the part of anyone, nor as estoppel waiver.
